DID YOU KNOW?

M. W. SAVAGE AND HIS GREAT DAN PATCH 1:55

Did you know that our beloved town of Savage used to have a different identity? That's right our town used to be called Hamilton! Up until Mr. Savage & Dan came to town and built the International Stock Food Farm. The town folk were so infatuated with them that in 1904 they renamed the town Savage after Mr. Savage. You can still visit the original Hamilton Train Station today that was used in 1870 up until 1970 when it officially closed. It was then bought and moved to Shakopee until they had no use for it. At which point the Dan Patch Historical Society found it's final home in Savage Square in Downtown Savage. Right down the street from where you are now! Feel free to walk down and check it out! It is a huge piece of our towns history!
